Circular No: 1029

Kampala, 3rd August 2015

FUFA/C/007/15

Sports Medicine Workshop at FUFA House on 17th August 2015

FUFA through its Medical Committee has observed that Azam Uganda Premier League (AUPL) and FUFA Big League Clubs do employ Club doctors and physicians who are not practicing updated Medical practices. The medical research and injury prevention methods have been progressively improved and the Club Medical personnel require to be updated consistently.

On this note FUFA has organized a one day payable workshop for all Medical personnel with potential to work with AUPL and Big League Clubs to be hosted on Monday 17th August 2015 starting 8:30am at FUFA House

The purpose of this letter is to request each Club to nominate One Medical personnel they intend to employ for season 2015 - 2016 to participate in the workshop. Participants should be nominated by the Club and shall pay 30,000/= (Thirty Thousand Shillings) by 12th August 2015 at the latest.

We trust you will respond affirmatively as this is a measure to help protect players from sustaining preventable injuries hence better performance.

Yours faithfully,

Federation of Uganda Football Associations
