New FUFA Regulation on working with intermediaries.

In order to streamline the working environment of Intermediaries, FUFA is coming up with new Regulations governing player, Club and Coach Agents currently termed FUFA Regulation on working with intermediaries. These regulations are in line with new FIFA procedures.

The regulations requires as of 1st April 2015, individuals and or companies intending to perform any intermediary activity to have registered with FUFA.

The regulation also requires that before an intermediary carries out intermediary activity must first sign a representation contract with a club, coach or player which must be submitted to FUFA for registration. The representation contract must contain the entire agreement between the parties in relation to the intermediary activity.

FUFA has embarked on registering these contracts in the TMS and these regulations will come into force on 1st April 2015.

This is to therefore to request you to submit all Agreements signed between Player & Agent/ Club & Agent and Coaches & Agent currently referred to as intermediary (formerly player agent) and any other Agreement your club or coach might have signed with the Intermediary by Monday 23rd March 2015.

Only intermediary's agreements uploaded in the FIFA TMS shall be considered by FUFA and FIFA. No other "agreement" with intermediaries shall be considered if not registered as shown above.

Please note that the currently registered player agents of FUFA whose contacts were submitted and still valid shall automatically be registered in the system in respect of validity of their Licence.

I hope this meets your due cooperation in this regard so that we are compliant.

Yours Faithfully,

Federation of Uganda Football Associations
