Circular No: 1016

Accreditation for International Home Matches

As we plan for the upcoming international fixtures involving our National teams:- Uganda U-23, Ugandan CHAN Team and Uganda Cranes, we are highly interested in organizing these events to the levels that meet international standards and as required by the Competition rules and regulations. Some of the requirements are related to the security and safety at the stadiums that will host the international matches.

In line with the above mentioned system, FUFA will accredit its sponsors, partners, security, service providers, media and other important stakeholders to access all international matches organized by FUFA.

Therefore this communication serves to bring to your attention that accreditation forms will be filled in by our stakeholders and deadline for this process must be observed as no accreditation cards/tags will be issued to anyone who misses the initial process.

For the start, the deadline for Uganda Vs Botswana is Monday 1st June 2015 at 1700hrs. Application forms can be accessed from the following link www.fufa.co.ug/news/pressreleases/circulars/Accreditation.

As ever, FUFA looks forward to working with you for the success of events both on and off the pitch.

Yours faithfully,

Federation of Uganda Football Associations
