**RE: CLARIFICATION ON THE INCORPORATION OF THE FEDERATION OF
UGANDA FOOTBALL ASSOCIATION [FUFA] UNDER THE TRUSTEES
INCORPORATION ACT**

Please refer to your letter of 27th Jan '2016, in respect of the above subject matter.

I wish to note that although there has been a delay to respond to the said letter, this was occasioned by the fact that NCS being a Government body, there was need to seek for guidance from the office of the Solicitor General, since the issues you raised were mainly of legal nature.

Accordingly, I wish to note that a formal legal opinion has now been secured from the Solicitor General's office; in respect of the incorporation of the Federation of Uganda Football Associations [FUFA] under the trustees Act.

I have noted in the legal opinion that after thorough research, the Solicitor General has reaffirmed that FUFA should comply with the provisions of the NCS Statutory instrument '2014, since none of its provisions infringes on the FIFA statutes – as had hitherto been alluded to, in your letter of 27th Jan '2016.

Therefore, that being the case, you are therefore advised to embark on the necessary arrangements to ensure that you comply with the NCS Statutory instrument accordingly.

Enclosed herewith, please find a copy of the legal opinion from the Solicitor General on this subject, for ease of reference.

I look forward to your positive response.
