REGULATIONS FOR FUFA FOOTBALL ACADEMIES

Ugandan football has been undergoing revolutionalisation to regain and surpass its previous heights and in the recent past FUFA has been undergoing strategic reforms in various areas of focus as detailed in the FUFA Strategic Plan and the consequent sporting and business results are premeditated.

In order to achieve our vision through our mission, development of the entire human resource behind the game cannot be emphasized enough. Player development is consequently very strategic and a core activity for the future.

It is on this basis that FUFA decided to de-register all football academies and there is a requirement for all those institutions and individuals interested in operating football schools (academies) to apply to FUFA for the License. It is also going to be a requirement to participate and organise youth football competition to obtain a competition license from FUFA

FUFA takes this moment to release FUFA Football Academy Regulations 2020.

It is Our Game, It is Our Country

Yours faithfully,

Federation of Uganda Football Associations
