Circular No. 1194
Kampala, 1st October 2024
FUFA/C/1/10/24

HOSTING MATCHES AT REGISTERED HOME GROUNDS

FUFA wishes to guide that, with immediate effect, all clubs in the three Professional Leagues; StarTimes Uganda Premier League, the FUFA Big League and the Finance Trust Bank Women Super League shall not be allowed to host their matches from any venue other than those registered and cleared by the FUFA Club Licensing Committee as their home grounds for the 2024/25 season.

A club may change its home ground only at the end of the first round of the ongoing season but in accordance with the Club Licensing Regulations.

However, the above guidance may not apply in the following circumstances:

1. Where the concerned fixture is a double header as defined in the FUFA Competitions Rules and determined by the Tournament Organising Committee (TOC).
2. The status of the registered home ground has deteriorated to the extent that it no longer meets the Club Licensing Regulations and has been verified by the Club Licensing Committee.
3. When the club is serving sanctions by a decision of any of the FUFA Judicial Bodies.
4. In the case of force majeure.

The FUFA Competitions Department and the respective TOC are hereby directed to ensure strict compliance of this important communication.

Yours sincerely,

**Kiiza Decolas Hantali
DEPUTY CHIEF EXECUTIVE OFFICER/FOOTBALL**
